Now what?

CORD's 2015 Rare Disease Strategy

This is our 'now what'?

Improving early detection and prevention

ReThink HPP

CHEO's ThinkRare algorithm

Timely, equitable and evidence-informed care

Partnerships across the ecosystem

Advance capabilities

Enhancing community support

Connecting patient communities

Understanding the patient journey

Patient input forums

Sustainable access to promising therapies

CORD cost of illness study

National accelerated access program for RD

Promoting innovative research

Increase our geopolitical attractiveness

Tax and research incentives

Together, we can.
